

VISION

The pupils of HOLY ANGEL ACADEMY, through their attainment and lifestyle, would grow into solitary examples, for bringing in much needed social transformation, to rebuild a strong and healthy society.

MISSION

To emerge as one of the best comprehensive knowledge centres, committed to transform young students into globally employable professionals and good human beings and good hearted by providing quality academic qualification and imbibing them with proper human values and ethics. To become an institution of global standard, we are on our mission of providing very elaborate knowledge and research oriented teaching methods. We provide not just rhetoric knowledge but also ensure to add the much needed industry academia interaction coupled with our strong value based education so that we can raise world class brilliant citizen.

AIM

HOLY ANGEL ACADEMY'S aim is to provide an environment for whole school community which strives to be :

- Positive and value based.
- Stress free and Hygienic
- Securing and caring.
- Inspiring and motivating.

Through which we aspire to develop :

- A happy, healthy, worthy citizen.
- A respectful individual of the society.
- A confident and independent lifelong learner.
